Global Language Institute's International Students Program

Inje University Global Language Institute was established in 2008 to help international students understand Korea through Korean language learning and cultural experiences in the era of globalization. Furthermore, since 2025, we have been offering the English for Academic Purposes (EAP) program and expanding our curriculum beyond Korean to multiple languages, fostering students' global competencies and unlocking greater opportunities for their future.

Differentiated Services to Prepare Students for College Admission

- Class-based counseling program for educational guidance and life counseling
- Collaborative hosting of freshmen enrollment information sessions with the International Exchange Department (Language training → Undergraduate and graduate schools)

Highly Qualified Professors

Instructors with master's and/or doctoral degrees in various language-related fields, such as English studies and education

Systematic and Step-By-Step Customized Learning

Level test for class placement based on proficiency levels/schools

International Education Quality Assurance System (IEQAS)

Various Academic Support Programs to Help Students Improve Their Language Skills

Scholarship Benefits

- English language proficiency scholarships for undergraduate admission to Inje University after program completion

* It may change depending on university circumstances.

Support for Adapting to Life in Korea

- Airport pickup upon arrival for new students
- Consultation and support for immigration procedures
- Support for issuance and registration of Alien Registration Card
- Support for a group application to extend students' stay period
- Accident insurance policy for new students
- Hospital guidance (medical procedures) and support in a student's native language
- Orientation for new students (dormitory, campus life, and campus facility tours)

Facilities

- Secure dormitory located on campus
- Free shuttle bus service
- Mobile student ID card issuance
- Fully-equipped facilities such as a library, multimedia room, cafeteria, post office, café, Inje Fitness Center, convenience store, etc.

Welcome to Gimhae

Welcome to Inje University

Gimhae, which connects Busan and Gyeongnam, is the central city of Gyeongnam with well-developed transportation infrastructure, including airplanes, KTX (high-speed train), subways, and buses. Furthermore, it is a favorable location for foreigners to reside* and study with a lower cost of living compared to Seoul and Busan and various policy supports for foreigners including an education special zone. The Inje University Global Language Institute provides you with the opportunity to learn and understand Korea comprehensively.

* Largest scale of foreign residence in Gyeongnam and 9th nationwide in terms of foreign residents
(31,451 registered foreigners in Gimhae as of July 2025 / Ministry of Justice)
